The notice regarding the Public Hearing on the CDBG Grant was placed in the legal ads in the Press Republican and on the Town's Bulletin Board.

Mr. Randall explained that the Town is applying for A CDBG Grant to upgrade the Morrisonville Water District. He stated that an income study was completed in the district. Because the income study showed that the district's residents met the guidelines, the Board would like to move forward to apply for the \$750,000 grant. If co-funded, that amount would be doubled. Mr. Randall opened the floor up for discussion.

Mr. Randall kept the Public Hearing open for a while longer. Since there were no comments, Mr. Newton made a motion to adjourn, seconded by Mr. Bruno and was **UNANIMOUSLY APPROVED**. Adjournment/6:00 p.m.
